

# 2014 PROTEST FORM

There are three types of protests:

1. **Visual:** relate to motorcycles and components where compliance/noncompliance can be confirmed visually. A \$25 per item protest fee is required.
2. **Technical:** relate to motorcycles and components where some type of measuring device or teardown procedure is required to confirm compliance/noncompliance with the rules. A \$25 per item protest fee is required.

In addition to the protest fee(s), the following teardown fees apply for a protest requiring engine measurement or teardown:

- a. 2-stroke engine: \$50
  - b. 4-stroke engine: \$150
  - c. An additional \$100 is required for measurement of any engine that must be removed from the frame for inspection.
3. **Administrative:** All other protests are administrative (e.g., rider eligibility, scoring, etc.). No fee is required.
