JULY 1983

Dear riders of the 9th:

Thanks for coming and doing such a good job!!!
A record number of finishers...was it a peice of
cake or did you like the four laps rather than
5???

Next year will yours and ours 10th !*/!?!
We are planning a special program and would very
much appreciate your thoughts through the years
concerning the Blackwater 100. We would like to
print your comments (keep them clean!) and if
you have pictures (we promise to return).

Have a good summer, see you next year.
