July 1981

What can we say?? In all the years, we've NEVER had so much precip!!! Dave Coombs had been working for months and had some really neat new stuff for you - maybe next year. Many thanks to all our riders, but special thanks to Dave Sutter, who took me onto part of the course looking for some very impolite non-riders. Either they heard I was on the way or left after it started to rain, but we did try. And thank you Johnny Lee, who helped us solve some problems. Dave Smith of Pittsburgh always seemed to be at the right place at the right time. We thank Larry Maiers of Hi-Point for being Master of Cermonies, fine job!! We invite our guests from Dirt Bike, Cycle News and Metzeler back anytime. If you have comments, while memories are still fresh, let us hear from you. Have a good summer, come back to golf, ski, rafte the rivers or walk the woods!

Sincerely,

Anita Barton
Secretary

note: Don Brill's bike caught fire at the first turn and was a total loss. Don did a fantastic job of gloving one hand to reach in to release the gas cap. If you have an urge, his address is, 228 Fingal Street, Pittsburgh, Pa 15211. We passed the "hat" for him at trophy time but beacuse of the rain, most riders had left. Thanks.
