Dear riders:

Can you believe it rained - again - for the third annual Blackwater 100????????????? We thank you for coming and riding (swimming) in the rain (mud). In spite of all we were four hours ahead of last year in getting the last riders out of the boons and one day ahead of getting the last bike out.

Look at those seniors!! 63 riders out of 72 made two or more laps and 20 out of 33 did the same in the super senior class. FANTASTIC!

Each year we try to do something for those riders who are considered to have finished. This year we enclose a tac button. Hope you like it and will wear it.

We thank you again for coming. Do plan a visit to play golf or ski with us.

Sincerely,

Anita L. Barton  
Secretary
