RE: 2023 PENALTY REPORT: RND 1 - BIG BUCK GNCC

The following penalty has been imposed following the Big Buck GNCC conducted on Sunday, February 19, 2023:

Racer: Steward Baylor, Jr.

Class: Bike XC1 Pro

Violation: Reckless Riding

Penalty: Fine of \$1,000

Facts:

Baylor has received a fine of \$1,000 for flipping or ghosting his motorcycle at the finish line, in violation of Section I.11 of the GNCC Pro Competition Rules: On-Track Regulations – Reckless Riding, which provides that “[n]o racer may ride in such a manner as to endanger life or limb of other racers, officials or the public.” Baylor committed the violation as a celebratory act following his victory at the event, and in the process endangered officials and the public, and temporarily disabled the event timing and scoring system.

The proceeds of the fine shall be paid in their entirety to support the Safety-on-Site (“SOS”) mobile medical services program managed by Dr. Marc Tanner, available at 2023 series events.

All racers are reminded that reckless operation of race vehicles is prohibited, including acts of celebratory behavior, on and off the podium.
